

## Sierra Madre News

\$3.00 YEARLY—7c PER COPY

9 KERSTING COURT, SIERRA MADRE, CALIF.

THURSDAY, APRIL 16, 1953

OFFICE TELEPHONE—CUster 5-3324

VOL. 47, NO. 23

Around  
the Square

That dinner for the Swimming Pool Fund last Saturday night was something of a shock—and we aren't talking about the price. The \$10-per-plate was tax deductible. But there was no deducting the change that came over the gals you're accustomed to seeing at the market places in slacks and bandannas.

How were they dressed? We don't know. Ask the authorities. All we can tell you is—they were BEE-OO-TEE-FUL!

Before we went to the Swimming Pool Dinner we studied the problem of what to wear—for all of 10 minutes. When we found the old dinner jacket was too tight through the shoulders, we gave a sigh for the past, and let it go at that.

What did we wear? A clean shirt, and a brand new tie—which later was cut to half mast.

Which reminds us: We have a date with Don Jackson one of these days. He and Sam Simpson, as the "Gay Nineties Bathing-Suit Couple," were the original cut-ups—and we mean in more ways than one.

One of the incidents during the party is told by Syd Westfall. Seems that his brother Lion, "Pappy" Welch, said:

"I'm no good at dancing, Syd, so would you mind dancing with my wife?"

Syd, knowing it would be a pleasure to dance with Mrs. Welch, looked around two minutes later to see "Pappy" dancing with the "Queen of the Ball," Lucille Travis, who had won a trip to Catalina through the votes of ticket buyers.

"All in the line of duty—and pleasure," said "Pappy" later, to which everybody agreed, including Mrs. Welch.

When we were in grade school (do they call it elementary school now?) we were always glad to take a note from our parents to the teacher. Because, as we remember, it meant an excuse for absence for some special occasion.

But this week we were told about the City School student who, when asked by his mother to take a note to his teacher, put his foot down with a loud "NO!" With memories of whooping cough inoculations fresh in his mind he reacted violently.

"Last time I took one of your notes to my teacher, I got a needle shot!" he shouted. "No more notes for me!"

## DEFENSE REGISTRATION

All Civil Defense personnel who missed the mass registration last July and have not subsequently been registered issued arm bands and identification cards and sworn in, are urged to present themselves individually at the City Hall for this purpose. The arm bands are thin, flexible and designed to fit into a pocket purse from which they can be withdrawn and donned in case of an emergency.

Absent Sierra Madreans May  
Vote In Bond Election May 5

Charles Skutt, school superintendent, has furnished the following information for those who wish to vote in the school bond election scheduled for May 5, but who may not be in Sierra Madre at the time.

The absent voter must make his own application, signed in his own handwriting, and address it to the Registrar of Voters, 808 North Spring Street, Los Angeles 12, Calif. The Reg-

ONE OF THE HAPPIEST WAYS of making money for the Sierra Madre Swimming Pool Fund was demonstrated last Saturday evening at the Pasadena Athletic Club when 136 people attended the \$10-per-plate "Kick-Off Dinner" that featured floor show skits and dinner dancing. After deduction of expenses, a process that had not been completed at press time yesterday noon, the profits will be joined with those from the current paper drive and the Community Fair scheduled in June towards financing a city swimming pool. Those in the picture are Mayor Henry F. Korsmeier, Virginia Sayles, Mrs. Stanley Coutant, Dinner Queen Lucille Travis, Ralph "Pappy" Welch, and Councilman Charles James. Queen Travis received a wardrobe gift from "Fashion Future" and a week's accommodations at the St. Catherine Hotel, Catalina.

Commuters 'Upset' By  
Bus Service Rumors

Rumors to the effect that bus service to and from Sierra Madre will be discontinued by Pacific Electric has brought many telephone calls to the News office by disturbed commuters who rely upon such transportation. The rumors, however, have no factual basis, according to H. O. Marler, passenger traffic manager for Pacific Electric.

Source of the rumors may be the impending sale of Pacific Electric's passenger service to Western Transit Systems, which, so far as can be predicted, plans no discontinuance of the service to Sierra Madre.

FATHER COOK DIES  
IN TUCSON APR. 11

Father Robert Cook, of the Passionist Fathers' Monastery here, died in a Tucson hospital last Saturday after a series of heart attacks with which he first was stricken Feb. 19 while giving a lecture to a group of students at the University of Arizona.

Father Cook, who was born in Leominster, Mass., in 1901, came to the monastery at 500 N. Lima about one year ago from Detroit, Mich., where he had spent three years conducting a series of week-end retreats.

Funeral services were held yesterday morning in the chapel of the monastery, conducted by the Very Reverend Herman K. Stier, the monastery's Superior. Interment is in the private cemetery of the monastery.

Sierra Madre Band Grows  
With Players From Big Time

Musicians who have played with Woody Herman, Harry James, Alvino Rey, and Skinnay Ennis have been attending rehearsals of the Sierra Madre Concert Band as the group continues to grow in strength and distinction.

Among the newest enrollees are Buddy Merriam, on trombone, who has been with the

orchestras of Alvino Rey and Skinnay Ennis; and Phil Cook, who has played trumpet with Harry James and Woody Herman. The two will be with the Sierra Madre group during the period in which they are attending classes at Pasadena City College.

Another to add glamour to the band is Dawn MacDonald, of Duarte, on clarinet.

Led by Miss Marie Oliva and assisted by Mrs. Matilda Smith, the band rehearses at City School each Thursday evening, from 7:30 o'clock until 10. An intermission break is taken at 8:45 p.m.

Plans are being made to change the rehearsal date to Wednesday, in May. Further information may be obtained by calling DOuglas 7-4523.

Edison Co.  
Files Unfair  
Labor Charge

Southern California Edison Company this week filed an unfair labor practice charge with the National Labor Relations Board against Local 47, International Brotherhood of Electrical Workers, AFL.

The company's charge states that, since October 29, 1952, the union has refused to bargain collectively and in good faith, unless the company agreed to bargain on matters which it was not obligated to include under its agreement with the union or under the law; that despite the company's readiness and willingness to bargain according to the charge, the union intentionally and deliberately delayed collective bargaining.

## CIVIL DEFENSE FILMS

The public is invited to attend the showing of two Civil Defense films at Sierra Madre's City School next Wednesday, April 22, beginning at 8 p.m. The films, entitled "Firefighting for Householders" and "Communications for Civil Defense," will be a special feature of the meeting to be conducted by Col. O. R. Marriott, chief warden for the local defense system, and Col. C. E. Morrison, disaster chairman for the Sierra Madre Red Cross.

"Parents' Panel" At Nursery  
School Features Home Talent

The "Annual Parents' Panel" will be held at the Sierra Madre Nursery School Tuesday, April 21, beginning at 8 p.m. No "professional experts" will be heard, but the parents, themselves, will be the "experts" who will discuss the various phases of child training. Each panel member will describe how the particular subject he is discussing is handled in his own home. Panel members and their subjects are:

Harold Bartel — "Father Comes Home" Mrs. Ethel Sheldon — "Jealousy and Rivalry Among Children" in the Same Family"; Warren Huth — "Our Children's Food"; Mrs. Harriet Kelsch — "Do We Expect Too Much of Our Children?"; Mrs. Sylvia Schleimer — "Planning for the Total Family"; Frank DeVirgilio — "Do Little Girls Prefer Father—Do Little Boys Prefer Mother?"; Milton Goldberg will be the moderator.

'Public School  
Week' Slate  
Set April 24

The annual "Public School Week" program will be presented Friday, April 24, at the Sierra Madre City School, beginning at 7:45 p.m. Families will convene in the auditorium for a welcome from Superintendent Charles A. Skutt, before visiting the school rooms. This year the Masonic Lodge, sponsor of the event, will make the Masonic contribution to "Public School Week" in a separate ceremony, details of which will be announced at a later date.

Because of the April 24 program, there will be no other P-TA meeting this month.

'Paper Drive'  
Campaigners  
Send Out SOS

Judge John Mead, Sam Simpson, and Ralph "Pappy" Welch, who have been active in the local campaign to collect papers for the Swimming Pool Fund, are sending out an "SOS" in their concern with the need of more cooperation by residents who ask to have their old newspapers removed.

They're glad when people telephone Custer 5-3183 to say they have a stack of old newspapers, but it has become such a mammoth job to tie the stacks that unless each resident ties his own Paper Drive service may have to be discontinued.

"The biggest help," Judge Mead reports, "would be if people would tie the newspapers in bundles 8 or 10 inches thick." Boy Scouts will deliver cord to those persons who don't have enough string.

## FATHER'S WORKDAY

The regular Fathers' Workday of the Community Nursery School Association is scheduled for Sunday, April 26, from 9 a.m. to 1 p.m. for the fathers of children in the Middle Group.

Local 'Wire Stringers'  
May Set City TV Style

50-Year Pins  
Make Masonic  
History Here

For the first time in the history of the Sierra Madre Masonic Lodge, two men received their "Fifty Year Pins" on the same occasion during the evening dinner ceremonies at the local Masonic Temple April 7. They are Charles W. Jones and Raymond B. Pease, who received their 50-year emblems in a presentation by Stephen E. Skidmore, inspector of the local Masonic district, acting on behalf of the Grand Lodge.

In the affair, presided over by Worshipful Master Harry B. Humphreys, it was pointed out that although the Sierra Madre Lodge, No. 408, F & A M, is but 43 years old, Past Master Jones was one of the first Masons to be received into the lodge after its formation in 1910. He brought his dimit from South Pueblo Lodge 31 in Colorado where he was reared, and later became the first mayor of Sierra Madre.

Brother Pease, Masonic organist and former secretary, received his initiation in Durand Lodge, Durand, Wis., where he was a high school principal at the time. Later, he dimitted to Henry Perkins Lodge in Akron, Ohio, where he became a member of the faculty of Akron University before retirement from school work to Sierra Madre. Some of his studies in Masonic history and ritual have been published for distribution to the Craft.

Blythe Foote Returns  
From Work in Turkey

Miss Blythe Foote returned to Sierra Madre Tuesday from her duties as assistant Information Officer in all of Turkey for the United States Information and Education Service under the State Department. She is residing for one month's vacation here at the home of her father, Robert O. Foote, 807 Skyland drive.

Miss Foote entered State Department service after World War II. After finishing her first two years in Vienna, Austria, and various Mediterranean countries, she returned to Sierra Madre for one year before re-entering the Department's service under an advanced classification.

During her stay here she is being entertained by Mr. and Mrs. Foote and her mother, Mrs. William W. Mendenhall, wife of the supervisor of the Angelus National Forest.

First Quarter  
Totals Given  
By Postmaster

An increase in cancellations of first class mail during the first quarter of last year, has been announced by Eddie Robertson, postmaster of the United States Post Office in Sierra Madre.

The difference between figures of the two quarters on the minus side is in third class and parcel post. Listed according to classifications, the statistics are:

1952: January total, \$7,358.31; February, \$7,051.72; March, \$7,956.02. Total for the 1952 quarter: \$22,366.05.

1953: January, \$6,508.91; February, \$5,885.29; March, \$6,709.46. Total for the 1953 quarter: \$19,103.66.

## RETURNS FROM ST. LUKE

Mrs. Leo H. Meyer, chairman of the local Red Cross Funds Campaign, recently spent a few days at St. Luke Hospital, but is now convalescing at her home, 558 Ramona.

Motion To Regulate Old Law  
Violators May Set New Rule

Television fans, as well as local TV dealers, won a temporary victory last Tuesday evening at City Hall when councilmen passed a motion which, besides giving temporary relief to law-breaking "wire stringers," may forecast a dark future for larger organizations outside Sierra Madre, each of which has been seeking a franchise for its own proposed citywide installations.

The motion was to the effect that Chief of Police Gordon G. McMillan and City Attorney Guy Cornyn would draw up temporary regulations for the crossing of city streets and city property by television wires.

Although Councilman Noren Eaton stated his belief that the majority of residents south of Grandview aren't too interested in the issue, the TV question has been one of the biggest debates to come before City

Council in many months. It has been a big argument for so long, in fact, that Councilman Larry Washburn commented: "Let's settle this thing. Isn't it about time?"

Washburn's objection to the motion was on the grounds that the "temporary" nature of the move might prove a hardship to those who followed through with installations which the motion made possible. The majority of councilmen, however, agreed in the opinion that until a television specialist could be hired by the City to give his analysis of the situation, the motion was the best that could be accomplished for the present.

Backing this opinion, Chief McMillan stated: "This is an enforcement procedure."

His reference was to the fact that after the regulations have been prepared, he would have the power to issue permits to violations of wire stringing across public streets and property; permission to be granted only provided the wire stringing conformed to the new regulations.

From the general discussion by councilmen, it was apparent that the regulations would take into consideration the nearness of TV wires to high power lines and telephone wires.

Other items on the agenda included the considerations of "No Parking" signs on the west side of Baldwin between Alegria and Grandview; and the building of a fire road in Bailey Canyon, in the northwest area of the city.

The Council moved that City Attorney Cornyn should prepare resolutions forbidding the present parking in that block of Baldwin, and also instructed City Administrator to discover how much it would cost to have parallel parking stalls painted in certain sections of the city.

As for the fire road, Councilman James moved that the city administrator contact County Flood Control authorities concerning the share of expense that might be borne by that district.

## FIRST AID CLASS

The Sierra Madre Red Cross "Advanced First Aid Class" will be begun April 21 at the City Park House for a six-week course from 9 a.m. to 12 noon each Tuesday. Mrs. Grace Smith will be the instructor.

Big Increase In Population  
Predicted for Sierra Madre

The population of Sierra Madre may be expected to increase 30 per cent within the next 10 years, according to Dr. Paul M. Sheldon, Director of the Laboratory of Urban Research, Occidental College, responding to a request by Sierra Madre's Education Research Committee as a part of its effort to determine the extent of the city's need of additional school facilities.

Sheldon's predictions are based on the 1940 and 1950 U.S. Census Bureau reports, along with other available reports. Reports for Census Tract 443, which is Sierra Madre, show a 1940 population of 4581. By 1950 this had increased to 7288; and within the next 10 years, it is expected to increase to 10,000.

"This prediction of rapid growth in the immediate future is supported by the Pasadena Cooperative School Survey," says Dr. Sheldon. "The figures tend to be conservative, indicating that, with present zoning regulations and age distribution, the population of Sierra Madre will reach 10,000 before 1970." The estimate, based on one housing unit to one lot, would be low if multiple dwellings were built or zoning restrictions modified.

"The concern felt over the adequacy of our school facilities is quite legitimate," Dr. Sheldon added. "Not only is it reasonable to expect that Sierra Madre will experience a great growth in population; but this growth will probably be accom-

panied by an even greater percentage growth in the number of school-age children."

He pointed out that, while Pasadena is 90 per cent built up, and Altadena 80 per cent, in Sierra Madre only 70 per cent of the available lots which would take houses were used up in 1950."

In Sierra Madre, as in all the suburban areas around Pasadena, the average age of the population is going down rapidly. According to Dr. Sheldon, overall figures for the entire Pasadena Foothill area indicate that the birth rate is increasing while the death rate is declining. The median age for this area is now roughly 39 years. New arrivals tend to be younger and within child-bearing age.

"The total picture is one of growth in population, and even greater growth in anticipated school population," says Dr. Sheldon. "Sierra Madre cannot begin too soon to provide the additional facilities which almost certainly will be needed even before they can be completed."

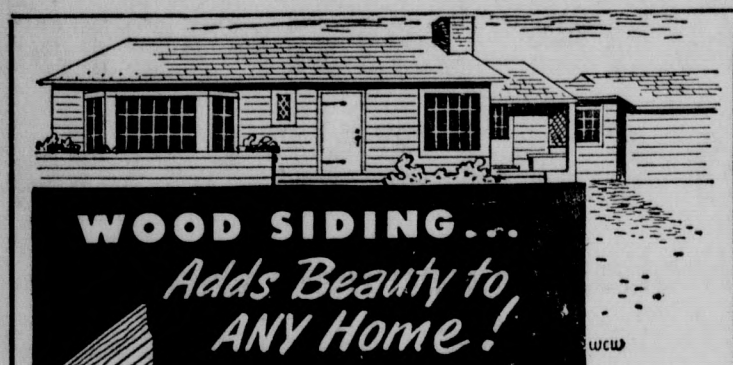

## Kiwanis Hosts "Good Neighbor" Hostess

Mrs. Phyllis Schwab, the official hostess for Sierra Madre's "Good Neighbor Group," was introduced as guest speaker of the Kiwanis luncheon last Tuesday by Emil Smith. Mrs. Schwab told of the progress that is being made by the local "Good Neighbor" group through

which she makes personal visits to newcomers here to acquaint them with the advantages and services that are offered within the vicinity.

Part of Mrs. Schwab's hostess' enterprise is the offering of gift coupon books that entitle the holder to free merchandise from local merchants as a means of making initial contacts for both the customer and the local businessman.

## Dr. Edward Rowins To Be Guest of Masons

As an introductory event to "Public School Week," sponsored by the Masons, Dr. Edward Rowins, personnel director of the Pasadena City Schools, will address Sierra Madre Masons and the general public at the local Masonic Temple the evening of April 24, beginning at 8 o'clock.

According to R. B. Pease, Masonic chairman of the "Public School Week Committee," Rowins' talk will be in keeping with the spirit of the celebrated week, from April 27 to May 2, which is devoted to a better understanding of the school needs within the vicinity and throughout the nation.

## 'Retreat' Open To Local Men At Monastery

The "Twenty-first Annual Retreat" at the Passionist Monastery, 500 N. Lima, will be held over the week-end, beginning tomorrow at 6:15 p.m. to last until Sunday evening at 7 o'clock.

Among the 80 to 90 men who have made reservations, a large percentage of them are Sierra Madreans, Catholics and non-Catholics alike. Men in Sierra Madre who are interested may contact William Burns, 549 West Montecito, who is organizing the group from St. Rita.

The retreat, which has been offered by the Passionist Fathers for the last 20 years, includes 12 conferences, none of which are compulsory in attendance. Each conference is conducted by a priest for a period of 30 minutes.

Eighty individual rooms are available in the Retreat House. The day which begins at 6:15 a.m. and ends at 10 p.m., includes periods of silence and prayer.

Father Thomas O'Malley, pastor at St. Rita, will conduct a Solemn Closing of the retreat at 5 o'clock Sunday evening, before the group disperses after dinner at 7.

## Community Calendar

This Community Calendar is compiled by the Sierra Madre Coordinating Council. For calendar appointments, call Mrs. Paul E. Campion, Custer 5-9729.

## Baptist Society in All-Day Meet Today

The Women's Missionary Society of the First Baptist Church, 49 S. Baldwin, are holding their second monthly all-day meeting today.

The annual business meeting and election of officers will be from 10 to 12; from 12 to 1:30 a luncheon is being served. At last reports, news has not arrived as to the availability of a guest speaker but one is expected.

The afternoon program meeting is open to the public and both ladies and gentlemen are cordially invited to attend.

## Woody, Mickey Mouse Features at Trinity Saturday

Pleased with the success of last week's movie showing for Sierra Madre children, the Sunday School department of Trinity Presbyterian Church will continue the series with another show from 10 to 11:30 a.m. Saturday morning, April 18, in the Fellowship Hall of the church.

The church is located at Sierra Madre boulevard and Hastings drive. The entrance to Fellowship Hall is off the parking area. A donation of a quarter is the admission charge, the funds to be used to buy chairs for the Sunday School.

The program Saturday will include the following films: "Puppy Trouble," all about how to train a puppy dog, three cartoons, "Woody the Woodpecker," "Ace in the Hole" and "Dumb Like a Fox." There also will be a Mickey Mouse film, "Mickey Has a Party."

## COUPLE TO WED ON KERR PROGRAM 19th IN SAN GABRIEL

Phil Kerr's Musical Sunday afternoon, April 19, second in a series which will continue through May 24, will feature a wedding ceremony, George Baldwin's 85-piece band, a 60-voice "Harmony Chorus," a bass soloist, Bill Carle, and the Dooley Family, cowboy singers.

The musical program, starting at 2:30 p.m., will be presented in the San Gabriel Mission Playhouse, 320 S. Mission drive, in San Gabriel. The doors will open at 1:45 and admission is free.

Although of a religious nature, the programs presented by Mr. Kerr are entirely interdenominational and there is no preaching.

A couple whose names are Bonnie Woolverton and Carroll Smith will repeat marriage vows as a part of the program.

## Atonement, Topic of Christian Science Lesson-Sermon

The practical healing import of Jesus' atonement will be explained and illustrated in the Sunday Lesson-Sermon "Doctrine of Atonement" in all Christian Science Churches.

The Golden Text from I John (1:3) reads, "That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son Jesus Christ."

The Apostle Paul declares (Hebrews 4:15, 5:9), "For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. And being made perfect, he became the author of eternal salvation unto all them that

obey him." A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy says, "We acknowledge Jesus' atonement as the evidence of divine, efficacious Love, unfolding man's unity with God through Christ Jesus the Way-shower; and we acknowledge that man is saved through Christ, through Truth, Life, and Love as demonstrated by the Galilean Prophet in healing the sick and overcoming sin and death" (p. 497).

Drive slower at night.

## .... Social and Club Activities ....

### Centuries Old Metalworking Art Program Theme

"Arts and Crafts" will be the theme for the meeting of the Pasadena chapter, National Society of Arts and Letters, scheduled for 2 o'clock Monday afternoon, April 20, in the Peterson Art Studios, Walnut and Sierra Bonita, Pasadena.

M. Jeanne and Thorleif Peterson, members of the chapter, will be hosts and also will present a program on their craft which is "Scandinavian Art Metal."

The earliest record of the Peterson family profession goes back to the 16th century in Stockholm, Sweden, home of the shop, Ole Peterson Cooper-slagare. The Petersons in Pasadena, contemporaries of that family, say that from the "Land of the Vikings" they have obtained the material for their program which will include demonstrations in creating masterpieces in copper, bronze, brass and silver.

Caroline Converse will conduct a brief business meeting during which nominations of officers will take place. A social period will follow the program.

The chapter indicates that visitors will be welcome.

Sierra Madre members of this group are Mrs. Mabel Grill, Mrs. Ella Nourse, Mrs. Frances Yeckley, Mrs. Lucy Marquardt, Mrs. Alice Sedgeman and Mrs. Mabel Layfield.

While flies in many areas now resist the effect of DDT and Lindane they can nevertheless be effectively controlled by proper sanitation measures.

A BEAUTY of Sierra Madre is two-year-old Deborah Ann Harwood, 476 Sturtevant road, who has become a national "Cover Girl" through the appearance of this picture on the front of "Your Child's World" for April.

### Shugerts Hosts Tomorrow at Club Cocktail Party

Mr. and Mrs. Charles Shugert, 360 Ramona, will be hosts tomorrow night to approximately 50 members of the Monrovia Tennis Club at a cocktail party preceding the club's potluck dinner in the clubhouse in Monrovia.

On Sunday the Shugerts and their daughter, Susan, are going to La Jolla for a brief visit with Mr. Shugert's parents, Mr. and Mrs. H. A. Shugert, who will return soon to their home in Oxford, Ohio, after spending the winter in La Jolla. The senior Shugerts visited here last weekend.

### Woman's Club To Hear Talk On Flower Arranging

The Sierra Madre Women's Club has announced a Guest Day for Wednesday afternoon, April 22, at 2 o'clock.

Mrs. E. W. Beutler, president, will conduct a brief business session, following which Mrs. W. S. Hull will introduce the guest speaker, Miss Clara Cronewett of Gold Hill, Monrovia, who will give an illustrated lecture on "Trends in Flower Arrangements Today."

A background of many years of teaching and lecturing both in the United States and Hawaii make Miss Cronewett an authority in her field, according to Mrs. Hull. Miss Cronewett has been engaged to address the National Council of Garden Clubs of America at its meeting next month in San Francisco.

After the flower talk Mrs. Peter Tabahak and her committee will serve tea to Woman's Club members and their guests.

..... Top Officer

MRS. DEANE L. DAMON, above, 83 Cypress court, recently was elected by unanimous vote to serve as 1953-54 president of the Woman's Club of South Pasadena Juniors, having served previously for two years on the Juniors' executive board. She will be installed June 9 in formal ceremonies.

### Washing Machine Is Church Guild's Gift To Triplets' Mother

In place of their evening meeting members of St. Rita's Guild gathered for luncheon Monday in the church auditorium. The occasion was a special one in that approximately 80 women attended, each making a cash donation towards the purchase of a washing machine for a St. Rita's parishioner, Mrs. W. R. Goebel, 57 West Laurel, who became the mother of triplet boys recently.

Mrs. Goebel has three other small sons, all pre-school age, and the gift washing machine will be a welcome gift.

Following the luncheon a children's fashion show was presented by Hall's Youngland and models were 10 pre-school age children of Guild members. Mrs. James Burke was chairman for the day.

### Neighbors Share Cost Of Alley Improvement

R. Merritt Baker, city administrator, says that property owners Thomas Schwartz, Jessie E. Dunning, E. R. Thompson, Richard L. James, Mrs. L. Rice, G. K. Simmons, Edward Hume and James Dewey have grasped the opportunity of securing a valuable improvement in the form of paving the alley abutting their property in connection with the major City street work being done on Highland avenue by Warren Southwest, Inc.

By reason of the manpower, equipment and materials being available for the major street job, this group of citizens made arrangements with the contractor to have their alley paved at a figure representing a considerable saving, the entire job costing \$640, divided equally among the eight property owners.

Baker commended their action by describing it as "a typical example of how property owners, working together, can secure improvements which add to the value of their properties far and above their pro-rated share of the cost of the job."

Work of this nature, Baker

### VACATION VISITORS

Mrs. W. H. Walling and sons, Bill, 8, and Douglas, 6, have returned to their home in Morro Bay after spending recent holidays with Mrs. Walling's sister and family, Mr. and Mrs. Gardner Frye, 529 W. Highland.

### Barrett Visits From Aboard 'Rochester' After Korean Stint

Quartermaster Seaman Leonard Barrett, 19-year-old son of Mr. and Mrs. Reg G. Barrett, 312 W. Montecito, has been visiting Sierra Madre from aboard the USS "Rochester," docked at Long Beach since its return from Korean waters April 6.

Since its Nov. 1 departure from Long Beach last year, the "Rochester" has been engaged in active Pacific duty that included the firing of a total of 7200 rounds of 8-inch ammunition off the coast of northern Korea, above the 38th parallel. With 1200 to 1300 men aboard, the heavy cruiser traveled 42,000 miles during its five-month stint, making many port calls that included an unprecedented river trip to Saigon, French Indo-China.

Highlights of the Saigon trip, according to Qmsm. Barrett, were the meetings with the French sailors and Foreign Legion members who showered the U.S. Navy men with hospitality in spite of a language barrier that often required the drawing of pictures to make themselves understood.

Two days before the "Rochester" arrived at Long Beach, Barrett spoke to his family by radio telephone, 600 miles at sea. His next assignment is unknown, aside from an April 30 date at which time he will be stationed at Vallejo, Calif.

### Storkland

A son, weighing 7 lbs. 14 ozs., was born Saturday in St. Luke Hospital to Mr. and Mrs. Eugene Lunsford, 600 N. Michilinda. The baby has been named William Dale.

The Lunsfords have another child, John, age 18 months.

Michael Lee Perry, weighing 7 lbs. 7 ozs., was born April 13 at St. Luke Hospital. His parents, Mr. and Mrs. Gerald Perry of 161 N. Hermosa also have a daughter, Christine, 1½ years old.

Michael's paternal grandparents are Mr. and Mrs. Randall Perry of 541 W. Laurel. Mr. and Mrs. Pio Lorenzini, 53 N. Mountain Trail, are the maternal grandparents. All the families are Sierra Madre residents of many years.

### FORMER COUNCILMAN AND WIFE VISIT HERE

Mr. and Mrs. Bruce McGill have returned to their ranch home in Antelope Valley, Lancaster, after visiting for a short time here with Mr. and Mrs. Fred Morgan, 80 S. Baldwin.

Mr. McGill, a former Sierra Madre city councilman, joined Mrs. McGill and the Morgans here for the weekend. Mrs. McGill having arrived here earlier.

### School Menu

Sierra Madre School Cafeteria April 16-17

Thursday — Hamburgers and pickle chips, carrot salad, jello, milk.

Friday — Tuna and potato cakes, bread and butter sandwich, apple and celery salad, fruit cup, peanuts, milk.

Week of April 20-24

Monday — Grilled cheese sandwich, stewed tomatoes, lettuce salad, cookies, milk.

Tuesday — Potato salad and ham slice, bread and butter sandwich, beets, butter-scotch pudding, milk.

Wednesday — Spanish rice, spinach, bread and butter sandwich, cottage cheese and prune salad, apple sauce, milk.

Thursday — Escalloped potatoes with ham, corn, peanut-butter sandwich, jello salad, peach betty, milk.

Friday — Tuna loaf, bread and butter sandwich, peas, cabbage salad, ice cream, milk.

### MOLINERS TO PICNIC

The Moline, Illinois, Club of California will have its spring picnic at the Alhambra Park in Alhambra Sunday, April 19. All former Moliners and those who lived in the vicinity of Moline are most cordially invited to come.

"Know-Your-Bank Week" comes to a close this Saturday. Some people—including a few bankers—have been too busy even to be aware that it existed.

But, considering that almost everybody else has a "Week," there's no reason why the banks shouldn't have one, too. After all, why shouldn't the public become better acquainted with the community institution that serves them in so many ways?

As a matter of fact, we were somewhat startled ourselves to find out that banks have as many as 52 separate services. Most of us think of the bank as a place to cash a check or make a deposit. But as to those other 50 services—we wouldn't attempt to mention them all, even if we knew them, but offhand we know that banks act as trustees and executors of wills, manage property, handle investments, make loans of many different kinds, provide safe deposit facilities, checking accounts, sell travelers checks and so on.

Besides all this and much more, the banker is always ready to help when you want advice on financial matters.

It's a good idea to learn something about banks, to find out how they can serve you and to make the acquaintance of local bank officials. They're really pretty nice fellows.

In fact, what could we do without them?

FROM

THE POOR MAN'S FRIEND  
CITY WHOLESALE ELECTRIC CO.  
2785 E. Foothill (corner Daisy) PASADENA SY. 2-7648

MR. AND MRS. JULIAN LA LONE have expanded—in the cleaning business, that is. The shop next door to 82 West Sierra Madre boulevard, which once was Graff's Tailoring Shop, has now been filled with the newest in modern cleaning and pressing equipment. Part of the expansion also features a complete tailoring and alteration department, with Mrs. Charles McNeilly in charge. There is even a new chair alongside a rock-based window planer for the customer's comfort in the front counter room. The large back room is regularly filled with hundreds of suits and dresses, indicating the steady growth of the shop's popularity.

### What Is The New School Bond Issue All About . . . ?

One of the most important school issues in the history of Sierra Madre will be presented for voters' consideration May 5, the date set for the \$242,000 school bond election.

Because the News believes the public should hear what the City School Board of Trustees has to say on the matter, it is offering a series of articles, released by the Board of Trustees, to be printed each week between now and election time.

This is the third part in the series.

Classroom Needs Projected . . .

Following figures do not include Kindergarten, since the three rooms in this unit with adequate outside play space can house additional increased enrollment through 1958 as anticipated:

1952—20 classrooms at 30 students each (present situation) ..... 600  
Kindergarten ..... 110

Total ..... 710  
1953—21 classrooms at 30 students each ..... 630  
Kindergarten ..... 120

Total ..... 750  
1954—23 classrooms at 30 students each ..... 690  
Kindergarten ..... 130

Total ..... 820  
1955—24 classrooms at 30 students each ..... 720  
Kindergarten ..... 140

Total ..... 860  
1956—26 classrooms at 30 students each ..... 780  
Kindergarten ..... 150

Total ..... 930  
1957—27 classrooms at 30 students each ..... 810  
Kindergarten ..... 160

Total ..... 970  
1958—28 classrooms at 30 students each ..... 840  
Kindergarten ..... 160

Total ..... 1000

We cannot house 1000 students in the original buildings which were built to accommodate 560, (420 in old plant, 140 in annex). Even now the school library is used as a classroom and there is neither art nor music classroom.

Because property surrounding the school at Highland and Auburn avenues is highly developed, we cannot add to the present plant without additional property costing between \$30,000 to \$35,000 per acre.

To buy two acres of land adjacent to present school would cost more than twice as much as to purchase the eight acres under consideration by the School Board. And even a total of nine acres for the old school would be sub-standard for 100 students. We cannot compromise the health and safety of a city's children by overcrowded classrooms and playgrounds.

Most Practical Solution . . .  
Last spring, it became more evident that additional rooms would be needed. So, in the fall, aerial photographs which were taken for the use of City Officials, were studied by the School Board, in order to pick out a possible additional school site. Several locations were evident.

1. Areas near Highland and Canon avenues. (One of these has been subdivided).  
2. Area belonging to the Pacific Electric Railway on Highland and Mountain Trail.

3. Area on South Mountain Trail (some of this now subdivided).

4. Nursery area on Sierra Madre boulevard on south side (probably to be subdivided).

Some or all of these areas were looked over by Bruce Hawk of the County Superintendent's Office, by Howard Morgridge of Marsh, Smith & Powell, Architects, and by the School Board. Members of the School Board and a local realtor also looked over land just north of the school on Auburn and across the street on Auburn avenue.

In the opinion of all concerned, the eight acres at Highland and Canon avenues was without question the most satisfactory and least expensive for an additional school building. (This was also true in the 1947 study.) Only recently, this acreage has been placed on the market and negotiations are now under way between our Board and the Trustees in order to arrive at a fair price for this property.

Present tentative plans call for purchase of this site at Highland and Canon and the development on the unimproved 8½ acres of sufficient classrooms for our 1958 needs. These could be completed by 1954. The unit built here would be under the central administration of the school office at 141 W. Highland avenue with a teaching vice-principal in charge of this unit. One of the classrooms could be used as a kindergarten while another one could be used as a cafeteria where a hot dish luncheon would be served after being delivered from the kitchen at the main plant.

The completion of this plan will allow the enrollment at the present site to stabilize at about 640 students and for the additional building to care for some 360 students which will give us a total of 1000 students. This will hold the enrollment at approximately the maximum for an elementary school (optimum 450, maximum 600, real trend to hold enrollment between these two figures in Los Angeles County).

THE ONLY ADDITIONAL ADMINISTRATIVE COST FOR THIS UNIT WOULD BE: \$350 ANNUALLY WHICH IS THE ADDITION NOW ALLOWED FOR A TEACHING VICE-PRINCIPAL.

Strategic location, population wise, of the new school site would mean that a second bus and driver would NOT be required, at \$5000 capital outlay and \$1300 annual maintenance expense.

### Local Stores Finish New Alterations

Two establishments in Sierra Madre that have been completed in their remodeling and expansion are La Lone's Cleaners and Happy's Liquor Store. Both stores, with new fronts as well as new equipment, are among those that are changing the appearance of downtown Sierra Madre in a way that indicates further modernizing in the future throughout the business section.

The business enterprise operated by Mr. and Mrs. Julian La Lone has been invested with \$5000 worth of equipment and pressing equipment along with a king-sized boiler that makes for a new high in efficiency. The interior of the shop has been remodeled and redecorated.

The expansion of La Lone's features a complete tailoring and alteration department, and a steam-press room where Mr. and Mrs. Ed Dickinson, formerly of Oakview Cleaners in Arcadia, are now supervising such specialties as hand finishing of women's clothes, pleat pressing, and knit blocking.

The modernizing of Happy's Liquor Store at 12 West Sierra Madre boulevard is the most recent business development produced through the management of Marshall and Harvey Mendel, co-owners of the "Happy's" store in Monrovia as well as in Sierra Madre. Their father, Leo Mendel, who had given the original impetus to three stores, sold the third one, a "Happy's" in Arcadia, two years ago.

The "Happy's" in Sierra Madre now presents an enclosed front that features a 14-foot display window, with the name of the store spelled in neon.

### COMBED REDWOOD

We put a Redwood board through a woodworking machine and the surface is made into not-too-uniform small rounded ridges and grooves, running lengthwise.

Used for interior finish, the shadows and reflections of light give an effect quite different from that of a flat surface.

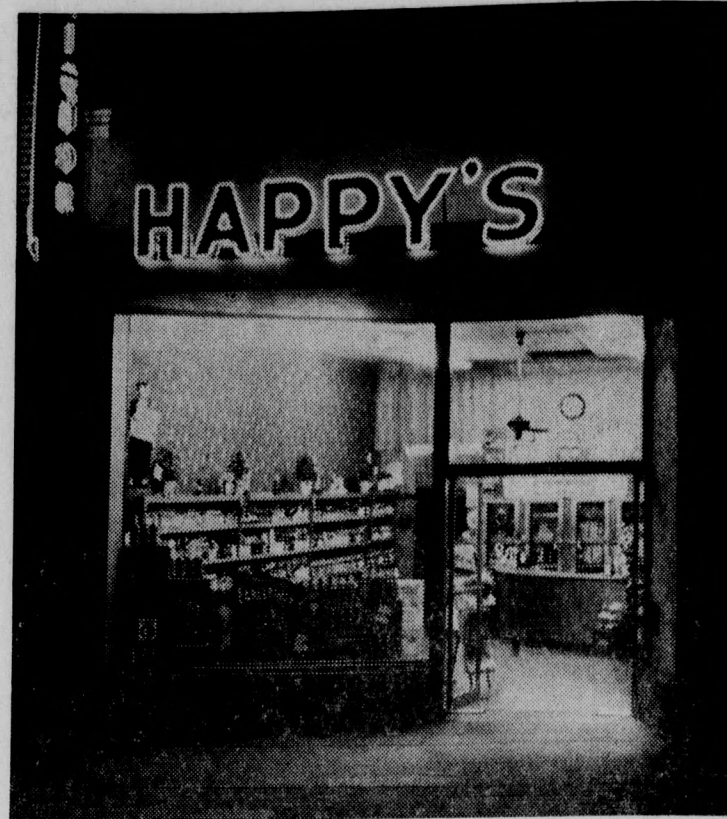

When fashioned into designs of squares, triangles or diamonds, the effect is outstanding.

You can see Combed Redwood on display in our salesroom, along with a variety of other wood and insulation board finishes. You'll enjoy absorbing ideas for your new home.

Just drive in and park.

**Hammond**  
The Dependable  
Lumber Company

2621 East Walnut Street  
East Pasadena  
SY. 6-5361 or RYan 1-6232  
Duane Garvin, Mgr.

THE WIDE OPEN FRONT at "Happy's" now belongs to the past. Instead, the new enclosure consists of a high window 14 feet wide and a broad glass door. Other features of the establishment are a large storage room, new lighting, and a refrigeration unit of increased capacity to be installed May 5. Also listed among its assets is Simmie Barr, genial assistant manager.

Besides a new storage room in the rear, "Happy's" will add a new refrigeration unit which will be installed when the store is closed during Sierra Madre's school bond Election Day, May 5.

### Legion Auxiliary Schedule Events For April, May

According to events scheduled for April and early May and to reports submitted at a recent meeting, spring is a busy time for members of the Auxiliary to Harry L. Embree Post, American Legion.

Monday night, April 20, the Sierra Madre unit will be co-hostess with East Pasadena in entertaining the 18th District American Legion Auxiliary in the East Pasadena clubhouse. The local unit's next regular meeting is scheduled for 8 p.m. Thursday in the home of Mrs. Grace Koch, 431 Ramona.

On May 1, Mrs. Rose Galkin, a past president of the unit, will be installed as president of the Women's Order of the Purple Heart, Pasadena organization. The ceremony will take place at 8 p.m. in the Pasadena clubrooms and Sierra Madre unit members have been invited to attend.

In a monthly report submitted at a recent meeting in the home of Mrs. Walter Nollac, Mrs. Wayne Beisel, community service chairman, revealed that 168 hours and \$138 had been spent by members on community projects.

Mrs. Ann Willmsen, hospital chairman, told members of her trip to San Fernando Hospital where she presented 32 hand-painted trays to the ex-service women in Ward 11. The Americanism chairman, Mrs. Helen Wheeler, announced the winners in the recent Americanism essay contest conducted in the local schools.

Speed kills, take it easy.

### CIVIC CLUB SPONSORS BAKE SALE APR. 18TH

To raise funds for further publicizing the School Bond Issue, members of the Civic Club will sponsor a bakery goods sale Saturday, April 18, from 9:30 a.m. in the Safeway store.

Also on display in connection with the sale as special prizes will be a Rotiss-o-Mat and two sets of costume jewelry.

### GARDEN CLUB ADDS SIX NEW MEMBERS

The Sierra Madre Garden Club welcomed six new members to its last meeting Monday evening, April 13. They are Mr. and Mrs. James Nixon, Mr. and Mrs. Ray Carlson, and Mr. and Mrs. Lester Bey.

Tentative plans were made during the meeting for a tour by club members in June through the State Arboretum in Arcadia, which was once the "Lucky" Baldwin estate.

To keep gold and gilt-painted picture frames bright, rub them lightly with a soft cotton cloth dipped in vinegar.

## State Record Predicted In Tax Payments

A new record in State tax payments has been predicted with yesterday's marking of the last day for filing State income tax returns for the calendar year 1952 without penalty. It has been estimated that 2,600,000 returns will have been filed, bringing into the State treasury approximately \$100,000,000.

The one hundred million dollar figure represents an increase of 400,000 more returns than were received in 1951. The increase is attributed to the many new residents in California, to an increase in wages generally, and to the high employment record in the State.

### St. Rita's Setting Sunday for Iffrig-Podliska Wedding Mass

Two young Sierra Madreans, Ann Marie Iffrig and Ervin J. Podliska, pledged their marital vows Sunday in a double ring ceremony and nuptial mass in St. Rita's church. The ceremony was performed and the mass celebrated by Rev. Thomas O'Malley in a setting of massed lilies and fragrant white stock.

The bride, daughter of Mr. and Mrs. M. J. Iffrig, 525 Woodland drive, wore a floor length gown of white tulle and lace over white satin and carried a white orchid on a small satin prayer book, and a pearl rosary.

#### Sister Is Maid of Honor

In the wedding party were the bride's sister, Miss Marilyn Janice Iffrig, a John Muir college student, as maid of honor; Robert D. Degnan of Pasadena, an Occidental student, best man; Miss Renee Murray, Miss Neva Clarke and Miss June Podliska, bridesmaids; Linda Mehalich of Van Nuys, flower girl, and ushers, Robert George Cleveland of Temple City and Larry Brennan and Richard Seaholm of Sierra Madre.

The maid of honor, who is a life-long Sierra Madre resident as is the bride, wore a ballerina length gown of pink net over satin and a small, veiled flower hat and carried a bouquet of native-tinted carnations and roses.

#### Gowns in Flower Colors

The bridesmaids, all Sierra Madreans, wore ballerina gowns in flower colors, Miss Murray in lavender, Miss Clarke in ciel blue and Miss Podliska, sister of the bridegroom, in yellow. The gowns were of net over satin and the flowered hats with nose veils corresponded in color. The bridesmaids carried bouquets of garden flowers.

The flower girl, a cousin of the bride, was dressed in a long shell pink linen suit.

#### Mother Wears Navy Blue

For her daughter's wedding Mrs. Iffrig wore a navy blue afternoon dress with pink accessories and a gardenia corsage.

Mrs. E. J. Podliska, mother of the bridegroom, also chose navy blue and pink for the wedding. She and Mr. Podliska reside at 650 W. Montecito and it is with them that the newlyweds will make their home temporarily when they return from their honeymoon at the Round-Up Hotel in Santa Barbara.

Music for the wedding was provided by Mrs. Celeste Burns, organist and Donald Warfel, tenor, who sang the "Ave Maria" and "The Lord's Prayer." Alter boys were Ladie Podliska, brother of the bride.

groom, and Robert Loza, also of Sierra Madre.

#### Reception in Church Hall

After the ceremony the bridal party and the approximately 300 guests went on to the St. Rita's Church hall for a reception.

Refreshments were served from a handsomely decorated table which had as its centerpiece the three-tiered wedding cake flanked by silver candelabra. The flowers were multi-colored sweet peas.

The new Mrs. Podliska, who will be graduated in June from Pasadena City College, attended the Sierra Madre Elementary school and John Marshall Junior High School.

#### Here From Illinois

Mr. Podliska, who has resided in Sierra Madre for seven years, coming here from Illinois, attended St. Rita's School, St. Francis' in La Canada, John Marshall Junior High School and was graduated from Pasadena City College. He is employed at the Totem Pole Market in Pasadena.

### Emblem Members To See Preview of Summer Fashions

Early summer and patio fashions for adults and teenagers will be shown by an Arcadia dress shop in the Elks clubhouse in Monrovia under the sponsorship of the Monrovia Emblem Club. The program, which also will include dance numbers by students of Melvin Kaiser, is scheduled for 8 p.m.

Mrs. Gertrude Morse and other Emblem club members from Sierra Madre will serve refreshments during the social period following the program. Members of the club, their husbands and guests have been invited.

#### EDISON From page one

Commencing March 10, the company charges that the union, through its conduct, has made effective collective bargaining impossible and has infringed upon rights of employees in violation of Section 7 of the Taft-Hartley Act.

(ADV.)

**FOR ATHLETE'S FOOT A KERATOLYTIC IS A MUST.** What is a keratolytic? An agent that deadens the infected skin. It then peels off, exposing more germs to its killing action. Get T-4-L, a keratolytic, at any drug store. If not pleased IN ONE HOUR, your 40c back. Today at HARTMAN'S.

Our capable staff is qualified to conduct services for any church or fraternal order.

CUSTER 5-2331

# Hastings Ranch News

LOWER HASTINGS: KAY GATES, Custer 5-2183

UPPER HASTINGS: MARGE THOMAS, Custer 5-2951

MEETING AT THE MAYFAIR drive home of Mrs. J. Thornton McCarthy (left) to start out a morning of soliciting News subscriptions in one phase of their overall fund drive for the \$3000 needed to open the doors of the Hastings Ranch Nursery School in September, are (left to right) Mrs. A. Davis Klett and her "prospective enrollee" daughter Sherry; Mrs. Gordon Jenkins, Mrs. William H. Hillard, one of the originators of the Hastings School idea, and Mrs. Ross E. Burke, chairman of the ways and means committee.

## Osborns Spend Week At Corona Del Mar

Mrs. Jack Osborn with Chet, Rickey and Patti Sue, of 3760 Shadow Grove road, spent the week of Easter vacation at the family beach home in Corona del Mar.

Mrs. Osborn reports that the weather during the first two days of their stay at the beach was beautiful. "Then we had friends and neighbors from the Ranch visit us and they

brought terrible weather with them," Mrs. Osborn jokingly remarked.

Those who traveled down to spend a day at the beach with Mrs. Osborn and the children were: Mrs. Elmer Morton with Foss, Duke and Debbie; and Mrs. William Hogaboom with Peter, Bill and Chris.

## Dillon Kelly Visits

Dillon, the son of Mr. and Mrs. Peter D. Kelly, 1125 Valley View, spent Easter vacation with his uncle and his family, Mr. and Mrs. C. M. Purkiss, in Fresno, Calif.

## Meserve Family Have Easter Desert Outing

The Robert Meserve family, 3760 Hampton road, spent Easter weekend at Apple Valley. There were 13, altogether, in the family party who enjoyed the three days there—four generations of Meserves.

They report that the desert weather was beautiful and warm, and that the only let-down was returning to the cold, wet weather here in the Ranch.

## Mrs. E. S. Stoner Visits Relatives in The Ranch

Mr. and Mrs. William E. Heller of 1095 Valley View and their two sons, Beep and Andy, recently entertained Mr. Heller's aunt, Mrs. E. S. Stoner, who was making a six-week visit in California from her home in Cashion, Oklahoma.

Mrs. Stoner spent most of her time visiting her daughter and family, Mr. and Mrs. Warren Nauman, in Sacramento.

## THE Ranch Juniors by MYRNA LAMBERT Custer 5-2545

Eugene Field School had another paper drive last April 9. After the winners are determined they will receive a special reward. However, every child who brought a 30-inch stack of papers, or more, was invited to see a motion picture yesterday.

Eugene Field School was represented by several children, on April 9, at the Pacific Auditorium play-dance. The principal, Mr. Haworth, was also in attendance at the event.

The Ping-Pong and Tennis Tournaments will be starting soon at Eugene Field.

The Camp Fire Girls will be led by Mrs. P. S. Irvine, 985 Pepperhill road, for the next four weeks since the original leader, Mrs. Ray Thomas, has moved out of the area. The members plan to make arrangements for a project at Don Benito.

## Ranch Children Share In Fun At Easter Hunt

A number of our Ranch neighbors and their children attended the South Pasadena Woman's Club Easter Egg Hunt the Saturday before Easter.

The children had a wonderful time watching a life-sized Easter Bunny frolicking in their midst, hunting eggs and eating ice cream.

Those sharing in the fun were Mrs. William H. Hillard, Bill, Jeff and John; Mrs. Lewis J. Ross, Jim and Larry; Mrs. Harris Robinson and Craig; Mrs. George Vane and Carol; and Mrs. Frank Brown with Robert.

## Mrs. Doyle Sustains Injuries In Accident

Friends and neighbors of Mrs. Gordon Doyle, 3790 Hampton road, were shocked last week by news of her unfortunate accident.

Mrs. Doyle was returning with a friend from Grand Canyon, early Monday morning, when she was involved in a serious automobile accident just the other side of San Bernardino. The two ladies and the Doyle's sons, Michael and Timmy, had attended the Easter services at the canyon before returning home, so it was about 4:30 Monday morning before they reached the wet and slippery stretch of highway, where, in rounding a curve, the car side-swiped a large truck.

Mrs. Doyle, who was driving, was the only one injured. She was moved from the scene of the accident to a hospital in San Bernardino in a critical condition. At St. Luke Hospital, in Pasadena, where she was later brought by ambulance, it was found that she had several broken ribs, a chip off of her hip bone, and a fractured pelvis. The car was completely demolished.

Michael and Timmy Doyle, students at Field School, were asleep in the rear of the car at the time of the impact and, though completely covered with broken glass, miraculously escaped without a scratch.

Mrs. Doyle has been president of the P-TA at Field School during the past year and is also active in community affairs.

## Mrs. Rimmel Takes Trip To Visit Ohio Relatives

Mrs. Jay A. Rimmel, 3865 Canfield road, boarded the Santa Fe's El Capitan a week ago Friday afternoon enroute to Dayton, Ohio, where she will spend a month with her parents, Mr. and Mrs. C. E. Weiler of that city.

Before her departure Mrs. Rimmel's neighbors in the Ranch, Mrs. Charles Ayers and Mrs. Peter G. Lubisch, presented her with a beautiful corsage of Cymbidiums. Mrs. Rimmel is president of the Hastings Ranch Garden Club and an ardent lover of flowers.

Mr. Rimmel and son, Dennis, are managing to keep things going smoothly in their home here. "It is awfully lonesome without her though and we'll be mighty glad when she is back with us again," they both agree. (They didn't say how many dirty dishes they have piled up in the sink awaiting her return.)

## Wright Family Spends Easter in Redlands

Mr. and Mrs. Gordon K. Wright of 1075 Valley View and their two boys, Geoffrey and Robbie, spent the Easter weekend with Mrs. Wright's parents, Mr. and Mrs. C. J. Willis, in Redlands, Calif.

Learn—and live! Join Civil Defense in your community.

## Field, Don Benito Schools SCHOOL MENU

April 20-24

Monday — Meat loaf and mashed potatoes, choice of string beans or seven-minute cabbage, brown sugar pudding, slice of bread and butter, milk.

Tuesday — Hamburgers with cheese, choice of peas or beets, jellyed prune and apple salad, coconut cream pudding, milk.

Wednesday — Chili beans and weiner, choice of spinach or carrots, peach compote, slice of bread and butter, milk.

Thursday — Favorite turkey with potatoes, choice of whole kernel corn or broccoli, cake, slice of bread and butter, milk.

FRIDAY — Fresh fish, choice of baked tomatoes or fresh lima beans, mixed fruit salad, slice of bread and butter, ice cream cup, milk.

Various a la carte items available at extra cost. No a la carte items sold except as an addition to tray lunch or to children bringing lunch from home and wish to buy supplemental dishes, or to adults. Ice cream is an a la carte item. Tray lunch 30 cents.

## Maurice J. Sullivan Enjoy New York Holiday

Mr. and Mrs. Maurice J. Sullivan, II, 1255 Tropical, recently returned from a two-week trip in the East. Even though they visited in Virginia, most of their time was spent with Mr. Sullivan's aunt and uncle, Mr. and Mrs. Maurice J. Sullivan, in New York City.

Mr. and Mrs. Sullivan were fortunate enough to see many of the Broadway shows, and topped off their trip by taking part in the famous Fifth Avenue Easter Parade.

Mrs. Sullivan's sister and her husband, Mr. and Mrs. Lloyd Root of Sierra Madre, cared for the Sullivan children, Diane and Tim, while their parents were on their eastern holiday.

## New Boy Scout Troop Organized In Ranch

A second Boy Scout troop was recently organized in this district. Under the sponsorship of the Field School P-TA, it has as its Scout Master, Mr. Elmer L. Bush.

Eleven boys are members of the troop. Those from the Ranch are: Ronnie Kremler, Peter Madsen, Gary Miller, Neil Wilson, Fred Thompson.

At a meeting of the committee for organizing the activities of the new troop held last Wednesday night, the men planned a hike for the boys to take, in the near future, to Eaton Canyon; also a softball game in which both the fathers and boys will take part, at the Field School playgrounds.

## Lindmans Enjoy Trip To Capitol of State

Mr. and Mrs. Ray H. Lindman, 3770 Hampton road, recently spent an enjoyable week of business and pleasure in Sacramento. They report that the weather was beautiful and warm during their entire stay in the capital city in spite of the fact that Mrs. Lindman went prepared for rain and cold temperatures.

## Beauty Contest Date Advanced To May 1

Applications of contestants for the Field Beauty Queen will be received until May 1, according to the committee in charge. Previously it had been announced that the contest would close on April 15; however, the additional two weeks is now being allowed so that applications will be received up to the night of May 1 when the girls will file in front of the judges' stand in Field School Cafeteria and the winner will be chosen.

The queen is being sponsored by Field P-TA for the Sierra Madre County Fair in June and will be entered at the final contest when the queen of the fair is chosen. Any girl in the Field School district between the ages of 16 and 21 years old is eligible for the contest, and is asked to contact Mrs. Robert Buttcane, 3535 Landfair road, Custer 5-1919. "It will be a wonderful experience for some lucky girl," Mrs. Buttcane points out.

## YMCA Group Host to YW's At Catalina

A group of young people from Sierra Madre and vicinity recently attended the YMCA-YWCA party, "Catalina Capers," at the regular YMCA location, "Camp Orizaba," near Avalon.

The girls were Gwen Siegel, Freda Glynn, and Bonnie Thom-

son of Sierra Madre; Joan and Judy Smallman of Hastings.

The boys were Dick Bell, Kenny Rhodes, Henry Aguilar, and Tony Pastor, all of Sierra Madre.

The group traveled by water taxi to Catalina for the Easter-time event which was attended by approximately 75 members of YMCA and YWCA, according to Mrs. Charles H. Siegel, 110 Bonita.

Mrs. Siegel is a member of the Pasadena YMCA board of directors and public relations chairman.

## A Letter From Athens to the Folks at Home

Virginia Pittinger, wife of Lincoln Pittinger, now on an engineering job in Athens, Greece, writes to The News about the experiences she is sharing with her husband and three children during a year's absence from their home in Sierra Madre.

Villa Antigone Iatrou Ekali, Greece

Our routine actually isn't too much different from the one we followed in the States. We all get up between 6:30 and 7:00—Pitt first at 6:30 and I last at 7:00! The only reason I can be so lazy is because Calliope (pronounced Cal-YO-pee with a very short o) is already in the kitchen working on breakfast and the children's clothes have been laid out the night before.

Pitt leaves by 7:30 and the kids are all out of the house by 8:00—which leaves me free until one to do as I please. I study, write and sew mostly, stopping at frequent intervals to savour my luscious morsel of peace and quiet and be grateful!

### Bread is a Bargain

On occasion, after a conference with Calliope as to the state of the pantry, I have to go to the store. Whenever possible I time my trip so that I can pick up bread fresh from the oven and bring it home crisp and golden brown and steaming! Bread is one of the few bargains in Greece—it has to be because it is the main item in the diet of nine-tenths of the people—and it is excellent. They make white and whole wheat loaves in a variety

THE BLUE BIRDS AND THE CAMPFIRE GIRLS got together on a TV show recently with nutty "Nutsie" the clown for a lot of fun, but also for the more serious business of promoting the Camp-firers' "Peanut Sale." The girls from Sierra Madre hope to sell 2400 cans before the campaign ends May 3. Proceeds are to help pay for the upkeep of Camp Chiquita and Camp Wasewagan in supplement to the money that comes through the Community-Red Feather Funds. Those in the picture are Susan Garson, daughter of Mr. and Mrs. Bernard Garson, and Laurie Perrin, daughter of Mrs. Helen Perrin, all of Sierra Madre. Who's that in the middle? Ah, "Nutsie!"

of shapes and sizes. A prime favorite with the Greeks is a large round loaf with a hole in the middle and it is not unusual to see people walking home from the bakery with three or four of these loaves running up their arms. They never wrap it up, naturally. Paper is very scarce and is dispensed with where ever possible. Besides, what's the good of the hole if you can't use it for carrying?

Shopping is a bit on the difficult side—language again. If Calliope spoke any English we would probably make these shopping expeditions a joint venture. As it is I go by myself and do the best I can with my Greek (which now includes all verbs in the "regular" category), gestures, French and English. It is in the meat markets that I have the most trouble. I simply cannot tell them what cuts I want. Sirloin on the hoof looks very different from sirloin in the display counter, and there are no display counters in Greece.

### Dead and Distasteful

There are no meat stores actually, just open front stalls where the meat hangs across

the front of the shop in all its butchered splendor—uncut, un-boned, un-skinned—un-everything but thoroughly dead! Sounds horrible, and it is rather until necessity forces you to get used to it. Risty wouldn't go near a butcher shop for weeks—wouldn't even let me park in front of one. It made him cry to see the animals hanging there—the tiny lambs, intact but for their wool, and the fat pigs, big ears flopping. But now he waits out front for me—looking the other way!

It's a good thing Calliope cooks. I recognize no cuts of anything after the Greek butchers are through hacking

them out. When I was cooking we had leather for every meal, but somehow Calliope manages to make it all edible—even tasty. That means, though, that we are confined to a diet of Greek cooking—and their taste runs to boiled meat almost exclusively. It gets a little monotonous.

### Ten Eggs Cost \$1

Prices are, as you have no doubt heard, very, very high. Beef is comparable to U.S. prices when I left, pork is higher, lamb is impossible and so is chicken. Vegetable prices are not too bad—although fruits are high—but other things, tea, coffee, sugar, cheese, chocolate.

## More people drive FORD V-8's than all other makes combined

And it's still the only V-8 in the low-price field!

No other engine in the world has enjoyed so much popularity as Ford's power-packed high-compression V-8. Today, 4 out of every 5 V-8's are Ford V-8's. And while other makers are scrambling to catch up, Ford and Ford alone offers a V-8 in the low-price field... and for hundreds of dollars less than most sixes.

Ford's V-8 is the same type of engine America's costliest cars are swinging to!

## ● FIRE FLAMES

The little grandson, aged 4, often leaves his example of typing in the typewriter, but so much of what he does is so gooooooood and wonderful that his Grand Dad hesitates to re-moooooove his handiwork from the machine.

If ever there were a fireman's friend, he is it. There's no denying that most children admire firemen and policemen, but this boy goes beyond the average in those departments as in almost everything else (at least in his Grandpappy's opinion, natch!) He has more admiration for a fireman's badge than a debutante would have for a brace of \$50 orchids, and he would rather ride a firetruck than own a Cadillac. (No doubt he would like to have the firetruck, but for that he could own a whole stable of Cadillacs!)

Just like the small fry, there are many adult admirers of firemen. This we appreciate to the fullest degree, yet we can't help wondering just how far these admirers would go to assist the men in their constant effort to PREVENT fire! Fighting the flame can be a dramatic—and sometimes heroic—act, but anyone who knows the horrible destructiveness of fire can't help but feel that preventing the very act of PREVENTING an uncontrollable flame is just as laudable, or even as heroic. Certainly this is true from a civic point of view.

Please don't go in for burning leaves or trash without first giving your Fire Department a chance to look over the situation. This is for your own good, considering that you are subject to a financial penalty if you create illegal fires. Why risk it, especially when you realize that with a departmental "Okay" you may be allowed to go ahead with it anyhow? We may even be able to show you a BETTER way to do it!

If you have been informed of the terrific fire loss throughout the United States, and then compare it with the low comparative losses suffered in Sierra Madre, you'll understand how important it is to keep ourselves constantly aware of the ever-present, ever-threatening danger of fire.

If you think we talk too much about fire, ask the man who has owned one. There's nothing quite so educational, or pathetic, as watching different members of a family walk through the blackened ruins of what ONCE was home! The smell of all that charcoal—and sometimes death—is something one can never forget.

Do yourself a favor, and be careful of fire—even if it's only on the end of your cigarette!

YOU can help Civil Defense by practicing fireproof house-keeping. The old newspapers and magazines in tight bundles before storing. Or better—get rid of them.

## Star in Pageant-Drama

Dorothy Bailey, in the title role of Ramona, and Maurice Jara, to play the Indian hero, in the 1953 Ramona Pageant-Drama, to be staged April 18 and 19, April 23 and 24, and May 2 and 3, in the Ramona Bowl near Hemet and San Jacinto. The 26th season is expected to attract 30,000 persons.

## 'The Last Resorts' Describes Fabulous Social Playgrounds

ISABEL STRADLEY

In his latest book, "The Last Resorts," Cleveland Amory has recorded all the fabulous society playgrounds, with their riches and romances, belles and grandes dames, fashions and feuds, scandals and skeletons—all written with the same combination of disarming impudence and great good humor which made the author's "The Proper Bostonians" an American classic.

Here are amazingly personal portraits of Astors, Vanderbilts and Whitneys, of Morgans, Rockefellers and Stotesburys, of Hollywood stars and the Duke and Duchess of Windsor. There are intimate stories of George F. Baker, the richest resorter of them all, and of Joseph H. Choate, ambassador to England and the great wit of the Berkshires. One night at a social gathering Mr. Choate was asked what he would rather be than what he was. He reported promptly, "I would wish to be Mrs. Choate's second husband."

There are also in the book some rare tales of Newport's Mrs. Stuyvesant Fish, enfant terrible of the whole "Four Hundred." The book is a saga of social climbing, and most of it is very funny, indeed. The simple domiciles they called cottages which were built at Newport, Bar Harbor, Tuxedo Park and other places, cost a million or two, not to speak of eight or nine million to furnish! But then, as Mrs. Stuyvesant Fish used to say, "We are not rich people, we have only a few million."

Old John Jacob Astor once told Julia Howe: "A man who has a million dollars is as well off as if he were rich." And oh, those simple little dinners they gave with the solid gold service, and between every guest an elaborate French menu in front, and a powdered, haired, knee breeched, liveried English footman behind.

And poor Mr. Stotesbury, with his hundred million, and Mrs. Stotesbury with her gold bathroom fittings—so economical, she said, they never had to be polished! The book ends with a far-West resort—La Quinta.

20 miles out from Palm Springs, the so-called present "Ritz of the Desert."

Other books received at the Public Library are, non-fiction: My Host the World, Santayana; Those Rockefeller Brothers, Morris; Roosevelt and the Warm Springs Story, Walker; Fabulous Fanny, Katkov; Mary Lincoln, Randall; Lying in State, Griffiths; No People Like Show People, Zolotow; Wonderful World of Books, Stefferd; Snips and Snails, Baker; This I Believe, Morrow; Papa's Table D'Hote, Sermolino; Big Change, Allen; Back Down the Ridge, White; Ambassador's Wife, Cerutti; U.S. 40, Stewart; Course of Empire, De Voto; Annapurna, Herzog; O Rugged Land of Gold, Martin.

Fiction: Boyds of Black River, Edmonson; Stephanie, Karmel; Prince Bart, Kennedy; Laughing Matter, Saroyan; Lotus and the Wind, Masters; Second Happiest Day, Phillips; The Galileans, Slaughter; To the Moment of Triumph, Frankau; Love for Lydia, Bates; Golden Admiral, Mason; Last of September, Bowen; I and My True Love, MacInnes; Kiss Me Again, Stranger, Du Maurier; Blanket Boy, Lanham.

### LEGAL NOTICE

#### NOTICE OF SCHOOL BOND ELECTION

NOTICE IS HEREBY GIVEN to the qualified electors of the Sierra Madre City School District of Los Angeles County, California, that, in accordance with the provisions of the Education Code of the State of California, an election will be held on the 5th day of May, 1953 at the POLLING PLACES NAMED IN THE HEREINAFTER DESCRIBED PRECINCTS in this School District, between the hours of 7:00 a.m. and 7:00 p.m. (during which period and between which hours the polls shall remain open), at which election the question of issuing and selling bonds of said District to the amount of TWO HUNDRED FORTY TWO THOUSAND DOLLARS (\$242,000) for the purpose of raising money for the purchasing of school lots; the building or purchasing of school buildings; the making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, repair, or repairs; the repairing, restoring, or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity; the supplying of school buildings with furniture or necessary apparatus of a permanent nature; the permanent improvement of the school grounds; the carrying out of the projects or purposes authorized in Section 18010 of the Education Code, shall be submitted to the qualified electors of said District and be voted upon, and that all of said purposes shall be united and voted upon as one single proposition. The said bonds proposed to be issued and sold shall bear interest at a rate not to exceed five per cent per annum. The interest for the first year shall be payable in one installment at the end of said year and all interest thereafter shall be payable semiannually. The number of years said bonds, or any series thereof, are to run shall not exceed twenty-five (25) years from the date thereof or the date of such series thereof. That, for the purpose of holding said election, the said Sierra Madre City School District shall be and it is hereby divided into four bond election precincts, designated bond election precinct numbers 1, 2, 3, and 4, and the persons herein-after named, being competent and qualified electors of this School District and of their re-

## Concert Group Increases 40 Per Cent Here

The membership of Sierra Madreans in the Foothill Community Concert Association has increased more than 40 per cent as a result of the annual membership drive by the Sierra Madre campaign committee.

Working with Mrs. Herbert L. Brown in the successful promotion were Mrs. Noren Eaton, Mrs. Daniel L. D'Arcy, both members of the association's board of directors; Mr. and Mrs. Charles Skutt, Mr. and Mrs. A. E. Morgan, Mrs. P. R. Woodworth, Mrs. Stanley Fish, Mrs. Ione Ward, Miss Jessie Sprague and Mrs. Hugh Colvin.

The schedule for the next season of the "Organized Audience Plan," from October through April, will include appearances by Helen Traubel, David Poleri, the Vienna Academy Chorus, and the Viennese pianist, Paul Badura-Skoda.

The concerts are given in the auditorium of the Monrovia-Duarte High School.

## ● Scanning the Sports Scene

With BOB BROGGER

While we're waiting for the Junior High League to get under way, let's see what's cooking with our Los Angeles Angels and the Hollywood Stars.

Probably the big standout this year—Bob Talbot. Bob former Marshall student and Pasadena High star, Lee Walls. Lee came to Hollywood from Waco, Texas, where he hit .308, including 10 home runs, and had an RBI of 59. So far he is doing great, and is expected to go right along and win "Rookie of the Year."

A fact that continues to surprise people is his age. Lee is 20 years old, and the youngest man on the Hollywood roster.

Another boy we are watching to see if he'll make the majors before he's 20 is Gordon Figgard. Gordon lives here in Sierra Madre, and is a graduate from Marshall. Also he starred on the Muir High baseball team as a second baseman. The reason we mention this boy is because he's in Waco, the club that Walls came from. Gordon is 18 or 19 years of age. Pride of Sierra Madre? Maybe.

Well, it looks like our Angels are going to surprise the experts this year. According to the big shots, they are scheduled to end in sixth place!

The Angels have about the

spectively bond election precincts, are hereby appointed officers of election, inspectors and judges respectively, as hereinafter set forth, and said officers shall conduct said election and make return thereof pursuant to law. The said bond election precincts, with their respective polling places and officers of election, shall be as follows:

#### BOND ELECTION PRECINCT NO. 1

Shall consist of all of Sierra Madre City General Election Precincts Nos. 1, 10, 12, 14, and 16; and those portions of the following General Election Precincts lying within the Sierra Madre City School District: Altadena No. 55, Duarte No. 19, and Lamanda Nos. 14 and 16.

Polling Place: Sierra Madre Public School, 141 W. Highland avenue.

Inspector: Mrs. Ruby K. Simmons.

Judges: Mrs. Juanita E. Caskey, Miss Avis E. Bloom.

#### BOND ELECTION PRECINCT NO. 2

Shall consist of all of Sierra Madre City General Election Precincts Nos. 3, 5, 6, 7, 8, and 13.

Polling Place: City Hall, 55 W. Sierra Madre Blvd.

Inspector: Mrs. Henrietta G. Hinkley.

Judges: Mrs. Ruth S. Twycross, Mrs. Maybelle C. Barker.

#### BOND ELECTION PRECINCT NO. 3

Shall consist of all of Sierra Madre City General Election Precinct No. 11.

Polling Place: Canyon Pool Bathhouse, 544 Woodland drive.

Inspector: Mrs. Albert R. Worthington.

Judges: Mrs. Florence C. Bowers, Mrs. Cora O. Erb.

#### BOND ELECTION PRECINCT NO. 4

Shall consist of all of Sierra Madre City General Election Precincts Nos. 2, 4, 9, 15, and 17.

Polling Place: Sierra Madre Park House, 25 S. Hermosa avenue.

Inspector: Miss H. Elizabeth Steinberger.

Judges: Mrs. Irene Askew, Mrs. Grace K. Koch.

fastest outfield in the league this year for Hollywood is the Usher and the new comer, Dick Smith. Comparing them with Hollywood, we'd say they're about the same, except just a little bit faster. Hollywood might have a little better infield than the Angels, with the exception of Gene Baker, the shortstop. All in all, they're about the same, so before we go any farther and say who is the better team, let's see how the series this week ends. Come on, folks, let's go see the Angels play some time this weekend.

It's no secret in New York that the Yanks don't expect Phil Rizzuto to last out the 1953 season and are frantically look-

ing for a replacement. It probably will be Andy Carey, the St. Mary's boy for whom the Yanks gave up \$65,000 as a bonus. Carey already is one of the slickest fielders in the camp, but he can't hit a curve.

### RETURN TO NEW YORK

Mr. and Mrs. Elgin Mifflin of New York City left Sierra Madre Monday after visiting for two weeks with Mrs. Josephine Marr, 204 East Sierra Madre boulevard. The Mifflins have been spending the winter in Texas and stopped in Sierra Madre for their visit here before going on to San Francisco and then back East.

## \$25,000 REWARD FOR DYNAMITERS!

Southern California Edison Company offers to pay a reward of \$25,000 for information leading to the arrest and conviction of any person or persons for dynamiting the company's 220,000 volt transmission towers on Monday, March 23, and Tuesday, March 24.

The transmission towers dynamited are located on the company's Chino-Pisgah 220,000 volt transmission lines (Mile 229, Tower #1) approximately four miles east of the town of Chino, and the Hayfield-Highgrove 220,000 volt transmission lines (Mile 57, Tower #1) near Desert Hot Springs. These lines carry electric energy to the Edison system from Hoover Dam.

Other towers dynamited are located on the company's Magunden-Saugus 220,000 volt transmission lines (Mile 183, Tower #1) approximately twenty-seven miles north of Saugus and three miles east of Gorman. The Edison Magunden-Saugus transmission lines carry electric energy from the company's Big Creek generating plants in the High Sierra.

If you have any information concerning this sabotage, telephone the company collect at once, Los Angeles—Michigan 7111.

## Comments On Rabies Control

ROY O. GILBERT, M.D.  
Los Angeles County Health Officer

Rabies has not developed into any particular problem in County health department jurisdiction so far this year. Four cases of rabid dogs have occurred since January 1. East Los Angeles and San Gabriel have accounted for one each and El Monte, two cases. As usual, the disease has occurred in areas near the Los Angeles River bed, which gives rise to the supposition that the disease is spread to dogs by small wildlife. Communities adjacent to the river bed should be particularly alert to the possibility of rabies.

Control of rabies in the dog population depends on two things. First, owners should have their dogs vaccinated annually. A new "one shot" vaccine which is free of any paralytic reaction has made such vaccination a safe and simple procedure. Second, communities should arrange for compulsory impounding of all stray dogs and for the enforcement of their licensing and leashing ordinances.

## New Salad Success

Make a Soufflé Salad, the new Fast-Frost way, and you will have prepared a molded salad quicker than ever before possible. The technique calls for putting a basic mixture of real mayonnaise, lemon or lime-flavored gelatin, vinegar, salt and pepper into the freezing compartment of the refrigerator for 15 to 20 minutes, which speeds up the setting time.

Then to this basic mixture, meat, fish, hard-cooked eggs, cheese, vegetables or fruit can be added making the Soufflé Salad an all-purpose salad: appetizer, side dish, entree or dessert. Here for a luncheon entree to be served with soup and hot muffins, or as an accompanying salad with dinner, is a delicious Tomato Soufflé Salad.

### Tomato Soufflé Salad

1 package lemon-flavored gelatin  
1 cup hot water  
1 can condensed tomato soup  
2 tablespoons vinegar  
1/2 cup real mayonnaise  
1/2 teaspoon salt  
1/2 teaspoon Worcestershire sauce; dash of pepper  
2 packages (3 ounces each) cream cheese  
1 cup diced celery  
1/3 cup chopped green pepper

Dissolve gelatin in hot water. Add soup, vinegar, mayonnaise, salt, Worcestershire sauce, pepper, and cream cheese. Blend well with rotary beater. Pour into refrigerator freezing tray.

Quick-chill in freezing unit (without changing control) 15 to 20 minutes, or until firm about 1 inch from edge but soft in center. Turn mixture into bowl and whip with rotary beater until fluffy.

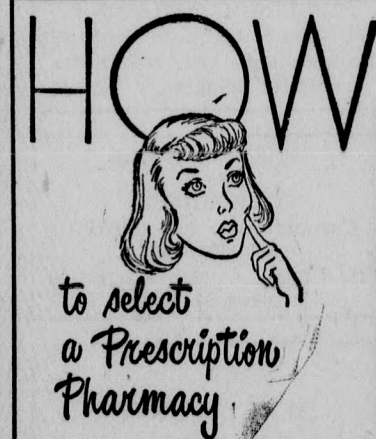

Fold in celery and green pepper. Pour into 1-quart mold or individual molds. Chill until firm in refrigerator (not freezing unit) 30 to 60 minutes. Unmold. Garnish with lettuce cups filled with mayonnaise and topped with strips of green pepper. Makes 8 servings.

### A LETTER From page seven—

cocoa, eggs—all such things are way beyond reason. A small package of tea is \$2, a tiny, tiny package of cocoa, \$1, eggs \$1 for ten. These prices bother me for two reasons—for myself because I hate to pay more than a thing is worth, and for the Greeks because so few of them can afford the prices at all.

The majority of Greeks have meat once or twice a month. Their diet consists chiefly of bread, olive oil and olives, dried, smoked fish and such vegetables as they can get most cheaply. Every weekend truckloads of women and children go out into the country to cut greens for food—stuff like dandelion greens. They cook them with the ubiquitous olive oil and lemon.

Pitt watched one of the factory workers eat his lunch one day. He said that the man unwrapped a smoked herring and two chunks of unbuttered bread. With the bread he very carefully wiped the paper in which the herring had been wrapped. He held it up to the light looking along the surface to see if he had missed any of the oil. He repeated this with the utmost care three or four times until he was satisfied that not a drop of the precious oil remained on the paper. He then folded the paper neatly, slipped it into his pocket to use again, and ate his lunch.

● Look for the "Reliable Prescriptions" emblem. It is your assurance of skilled professional service, ingredients of high quality, and prices that are uniformly fair. We are proud to display this mark of merit.

## Health Authorities Claim Housefly Outsmarting People

News has been received from the Los Angeles County Health Department that is disturbing in more ways than one. It's about the housefly—and its apparent ability to learn!

Now it's true that many people consider a fly a mere detail. They believe it isn't worth giving any more time than required to sum up their philosophy toward it in two words: "Swat it!"

There are others, however, who, besides knowing the fly and its millions of cousins as a health menace, consider it one of the most annoying, distasteful things in this world. They are especially disturbed by the news that this year is reported by health authorities as developing into one of the worst fly-ridden years in history.

Either one of these groups, however, can find a new, and very special, reason for resenting the housefly in this latest dispatch from the County

Health Department, which reads, in part:

"The Century-old habits of the housefly are changing to meet the attack of recently developed insecticides . . . Flies now tend to rest on the floor instead of using walls and ceilings, which has been their custom as far back as man can remember. For the last several years man has been taking advantage of the resting habit of the housefly by applying residual-type insecticides to such areas.

"Fantastic as it may seem, the fly is beginning to shun walls and ceilings, and widespread reports from the Midwest and even in California confirm the observation."

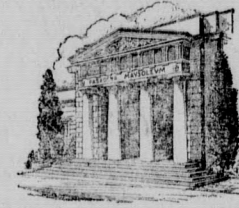

How the fly learned that walls and ceilings meant death is unknown. But obviously the fly has learned by experience. For so many years we humans are considered lacking in

intelligence, because they keep right on making the same mistakes, over and over.

But—ladies and gentlemen!—we give you the housefly!

A fly which cannot find a feeding place will live only 3-4 days. When well fed, they live as long as 60 days. For full information on how to starve those flies write to the Los Angeles County Health Department, 241 N. Figueroa, Los Angeles 12.

## WILL FREEWAYS SERVE THE PEOPLE?

### THE PROBLEM

Declining use of transit continues to put more automobiles on already crowded streets. Almost everyone agrees that freeway construction is intended to move the maximum number of people. Yet California freeways are being built without turnout and loading zones for public transportation by motor coaches, thereby threatening actual reduction in service to many communities.

### THE SOLUTION

Because the State law overlooks the importance of public transportation on freeways it should be amended to make transit turnouts part of the program so that these expressways will be of maximum use. Only if transit has places to stop can it provide a service which will attract patronage and thus reduce the number of private automobiles on the road.
